Task 2 - Take part in a sales transaction
Again using role play you need to take payment for the items the customer wants to buy. Practice what you might say and how to interact with the customer e.g smiling or asking if they want a card with their flowers or if they want them delivered. Tell them how much they owe and take payment in money.

Task 3 - Create a poster
Include information on how to make a sale. Think about what is important when serving a customer? What will make their experience in your shop a good one?
