

Year 11 destination data

Oakfield Year 11 destination data demonstrates that over a four year period, 100% of learners have successfully transitioned to further education, training or supported internship at Oakfield College.

Key Stage 5 destination data

100% of Oakfield College leavers have successfully transitioned to Education, training or employment over the past 3 years. The destination data indicates that over the past 4 years only 1 learner has not transitioned to further education or CIC. This individual accessed independent living due to their complex medical needs. The vast majority of learners leave Oakfield College and go on to further education.
