

## Virtual Badge Awards

### Space badge Award

To achieve this badge complete two of the following:

- Point out some of the things you can see in the sky at night
- See if you can find any constellations that you can see
- Name the 8 planets in our solar system and draw or make a model of one of the planets
- Find out about a space mission, an astronaut or a planet in our solar system.

Once you have successfully completed it, let your pastoral manager know via their email.
