Virtual Badge Awards

Science Technician badge Award

To achieve this badge complete two of the following:

1. Research a famous person in science

- Who are they?
- When were they born and where?
- Why are they famous in science?
- How have they changed our world?

2. Wildlife Wonder

- Design and make a bird feeder or bug hotel.
- Spend some quiet time watching the animals use your feeder/hotel.
- List the animals you have seen whilst watching.

3. Eco helper

- Take photographs of yourself putting the right recycling into the right coloured bins.
- Design a poster or PowerPoint presentation to encourage people to recycle.

Once you have successfully completed it, let your pastoral manager know via their email.
