

Student Council

Here at Oakfield we pride ourselves in listening to the opinions and views of the learners, our dedicated Student Council is a fine example of this.

Our Student Council representatives - one learner from each year group plus a reserve - are elected at the beginning of each academic year and they then carry out this role throughout that year.

Our aim is to help to make a difference in our school, college and also in the local community.

The representatives attend meetings at least once every half term to share ideas and information, plan and organise future projects/campaigns and to take any ideas forward.

The student council are hoping to achieve the UNICEF Rights Respecting Schools Award which puts children's rights at the heart of schools in the UK. The Award recognises a school's achievement in putting the United Nations Convention on the Rights of the Child into practice within the school and beyond.
