## Road Safety Day

Wednesday was Road Safety Day for year 7 learners. During the day learners attended a variety of workshops to discuss road safety including what to do and what not to do whilst out and about. The learners even got to meet a special guest visitor, Steven Burke. Steven is a 2 time Olympic champion — Team Pursuit (London 2012 and Rio 2016), Olympic Bronze medallist — Individual Pursuit (Beijing 2008). Having recently retired, Steven came into school to talk to our learners about all his achievements and how as a cyclist he keeps himself safe when on the road. The learners had a great day trying on Steven's equipment and learning how to keep safe.

## Anti-Bullying 'Hope' Theatre Performance

Following on from our successful #BeKind Anti-Bullying Week focus, school and college welcomed a theatre company into school to perform an interactive production called 'Hope'. The aim of the play was to raise awareness of the dangers of bullying and the consequences it can have. The performance taught learners with how to deal and react to any potential bullying that they may face in the future. The learners found the play both informative and entertaining.

## Christmas Shoe Box Appeal

This week we are looking for donations of: chocolates, sweets, biscuits, combs, hair brushes and deodorant for our annual Shoe Box Appeal. Thank you to everyone for their kind support and donations so far.

## Digital Guardian E-Safety Tip

There has been an increase in young people accessing inappropriate content via social media. This guide for parents will help provide information on how to stop young people accessing this content when at home.
