English/Literacy Champions

The English department have introduced two new weekly awards to recognise learner achievements and exceptional progress in the subject. The 'Word Wizard Award' will be given to a learner that has shown excellent use of vocabulary or learned a new word in the week. Aaron S (Year 10) and Evan N (Year 7) have been given the prestigious status of being the first ever 'Word Wizards' winners. The 'Reading Champion Award' will be given to any learner that has read aloud to their class or read a tricky text with fluency. Chris M (Year 10) and Daniel H (Year 7) have been given the prestigious status of being the first ever winners of the 'Reading Champion Award'. All learners will be given a certificate for their hard work. Well done to all.

Easi-Maths Champion

As part of the Maths curriculum, learners are expected to complete a minimum of 15 minutes of Easi-Maths at home a few days per week. Easi-Maths is a proven online activity that has successfully improved learners numeracy skills. As learners progress through the programme they are awarded certificates for their achievement. All learners have their own username and passwords in their planners. This weeks Easi-Maths Champion is Joshua C (Year 7) who managed to score 2235 points this week.

Holocaust Memorial Day

On Friday, Mr Hayes and Mr Warrington collaborated to provide an exceptional workshop for learners to honour Holocaust Memorial Day. Both year 10 and 11 learners started the day by having the opportunity to be part of a national web conference with Holocaust survivor, Susan Pollack. The webinar was provided on behalf of the Holocaust Educational Trust. Learners developed knowledge in the significance of Holocaust Memorial before using their creativity to mark the 75th year of the liberation of Auschwitz. Learners have shared their emotions on hands that have been collated to replicate the Holocaust Memorial Flame.

Dates for the Diary

27.01.20 - Year 7 Literacy & Numeracy Week

29.01.20 - Year 7 'Sleeping Beauty' Pantomime

30.01.20 - Year 7 Punctuation Workshop
