Literacy Week

This week was Year 7 Literacy week. The English department organised an outstanding variety of activities for to support learners development in literacy. Highlights of the week included a theatrical performance of Sleeping Beauty (Wednesday) and The Interactive Punctuation Workshop (Thursday).

This half term learners have been studying Sleeping Beauty. Learners were able to immerse themselves into the story concept by watching the performance by M&M Theatrical Productions. M&M are the UK's largest and most respected provider of theatre-in-education that specialise in classic literature adaptations. The learners were enthralled with the performance.

The Interactive Punctuation Workshop was an exceptional one man show, that used comedy, music and learner interaction superbly to introduce key knowledge terms like nouns, verbs, current tense, past tense etc. Learners came away with a clearer understanding of commas, colons and how to use the terms effectively n sentences.

Sickness Reminder

A polite reminder; If your child has, or is sent home with sickness or diarrhea, can you please ensure that the learner does not return to school for a clear 48 hours from the last bowl movement or sickness. This will prevent the illness being spread around school. This week letters went home with regard to headlice in school. If you did not receive it, can you contact school so we can send a copy home.
