3rd June 2020

Dear Parents/Carers

This is just an update to let you know that we have received some guidance from the local authority and public health that any reopening of schools to more groups of learners should be delayed until the 15th June. (enclosed)

Thank you for all your efforts and patience so far. You are doing an amazing job and we are very proud of everyone. Your kind and supportive messages are really appreciated.

Yours sincerely
