

Dear Year 6,

We know that the current situation is uncertain and is difficult for us all at this time. The staff team at Oakfield High School and College would like to reassure you that we are really looking forward to meeting you in September. To support your preparations, the staff have created a film introducing themselves which you can find on our Facebook. There is also a film from our current Year 7's and there is a virtual tour on our website for you to watch.

We know that you might be wondering what school will look like when you start in September. You will be in a year 7 bubble. This means you will stay with your new year 7 friends and have the same 5 teachers until at least October Half Term. At break and dinner time you will stay with your Year 7 friends only. Your lessons will be a little different than normal too. When you start in September we are going to focus on getting to know you. We will then start a project called 'Who are we?' where you get to celebrate and show off your skills and knowledge to your teachers.

We are looking forward to meeting you all and hope you have a great summer!

Best wishes,

S. Allen

Mrs S Allen
Head of School
