VIRTUAL PARENT CONSULTATION EVENING

Dear Parents and Carers

It is with regret, but no great surprise that we have to amend how we are undertaking our Parent Consultation Evening on Thursday 12th November 2020. The current situation with Covid 19 means that in order to keep everyone safe, we are moving to a virtual support evening.

On the evening itself you will be contacted by your child's form teacher to discuss how your child has settled into school or college this year.

Although this event is a Parent Consultation Evening it is often useful to have your child present.

If you would like us to send you an invite to this via zoom please indicate on the slip below and we will send it to the email address and contact details we have in school for you. **Please complete and return the slip below by Friday 6th November 2020, slips received after this date may not be allocated an appointment due to time scales.**

We will send further information home that provides details of your personalised allocated appointment time, together with the member of staff allocated to you. **The meetings will be limited to 10 minutes.**

Yours sincerely,

S Allen

Please return to the Admin Office by Friday 6th November 2020
