HIGH SCHOOL & COLLEGE

Dear Parents and Carers,

Thank you for your patience, support and understanding during this time. Your kind and supportive messages are really appreciated.

We will be continuing with our remote learning and our current provision for this half term. The education and safety of all the learners is important to us. Your young people are amazing and a credit to you all. I am looking forward to having the school full of happy young people again.

If there is anything you need please do not hesitate to get in touch.

Wishing you all the best.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "S Allen", is written over a faint, light blue circular stamp.
