Dear Parent/Carer,

We will be sending two books home from our school library for your son/daughter to read over the summer term. Along with the books, we will also send a blank A4 book. This can be used for your son/daughter to draw, ask questions about the book or even write a book review.

Due to Covid, we will be unable to change the books on a regular basis. However, if your son/daughter is finding the books too easy or too hard, please contact school and we will change the books for you.

Thank you for your continued support.

Yours sincerely,

Mr D Warrington
Head of English Department
